Dear Ms. Dortch:

On October 19, 2011, Ken Mason, Vice President of Government Affairs, Frontier Communications; and the undersigned spoke on the phone with Kevin King of the Wireline Competition Bureau, to discuss the above-captioned proceedings.

The parties discussed Frontier's intercarrier compensation revenues and the effect that intercarrier compensation reform would have upon Frontier. The parties discussed Frontier's projected intercarrier compensation revenues under a variety of scenarios, including: with no changes, with adoption of the ABC Plan, and under a reform plan that deducted 10 percent from the recovery of any access revenues lost to intercarrier compensation reform.

Please feel free to contact me with any further questions.

Sincerely,

/s/
